

# 2015 **DISCOVER NEIGHBORS** **DISCOVER HOME** MY BLOCK MAP INSTRUCTIONS

## DESCRIPTION:

The City of Longmont makes the “Discover Neighbors, Discover Home” small grant available to residents throughout the city to enhance quality of life and build a better “sense of community” in the city’s neighborhoods. The grant is awarded throughout the year to residents of city blocks that meet minimum criteria outlined in the application to support block based community building activities, including mapping the block. Funding is determined by the number of homes on the block and all residents on the block must be encouraged to participate.

**Contact us for more information or to fill out an application!**

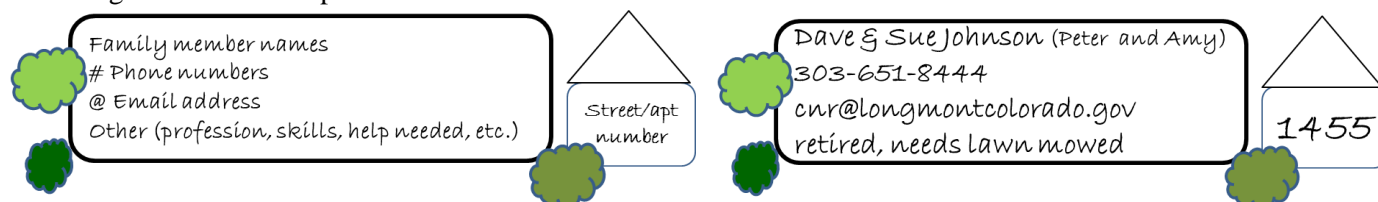

**\$50 for blocks of 6 to 11 homes, \$100 for blocks of 12 or more homes**

You may combine up to two blocks into one activity to double your grant eligibility amount

\*\*\*\*\*

## **Mapping Your Block**

1. Write your family’s names, phone number, and email address in the box representing the position of your house on the block, then add your street or apartment number in the box along the street. Add a second map for larger blocks. Examples:

2. Visit your neighbors and record the same information in the box that represents the location of their home on the block.
3. We encourage you to add additional information if your neighbors are comfortable doing so, such as children and pet names/ages, hobbies, or tools and skills they are willing to share with other neighbors.
4. Distribute a copy of the completed map to each of your neighbors.
5. Submit the map with a completed grant application and budget to Community and Neighborhood Resources. Contact information below.

## **Map options:**

- Use the included map to map to supplement the map in the application (for larger blocks)
- Request a customized map of your block from Community & Neighborhood Resources (allow additional time)
- Sketch a map of your block with squares representing each home or apartment
- If you need to apply for a street closure permit, the City of Longmont will provide a map for you to distribute based on the contact information provided on the “Acknowledgement of Street Closure” form. Contact the city clerk’s office or download at <http://bit.ly/1FwahrQ>.

## **CONTACT COMMUNITY AND NEIGHBORHOOD RESOURCES (CNR) WITH QUESTIONS**

**Ask us about additional services and learn about the benefits of joining or starting a neighborhood group.**

**DISCOVER** Neighbors  
**DISCOVER** Home

A row of seven colorful houses with different roof and wall colors, arranged in a line. The houses are in various colors including orange, blue, yellow, and purple, with some having multiple colors. They are set against a light blue sky and green ground.

**STREET NAME:**

*See instructions on other page*

This is a blank worksheet template for a story arc. The layout is symmetrical and organized as follows:

- Central Column:** A vertical path with a yellow background. It contains 10 small, white, house-shaped boxes arranged in a column, intended for a story arc.
- Main Writing Area:** Flanking the central column are two large columns of white rectangular boxes for writing. Each column contains 10 boxes, one for each row.
- Decorative Elements:**
  - Green Paths:** Thin green lines separate the white writing boxes and the central column.
  - Stylized Trees:** The outer edges of the worksheet are decorated with a border of stylized green trees.
